# Renault KOLEOS

Wildly sophisticated

Every precaution has been taken to ensure that this publication is accurate and up-to-date on the date it is printed. This document has been created on the basis of pilot lots and prototypes. As part of its ongoing product improvement policy, Renault India Pvt. Ltd. reserves the right to modify the specifications, vehicles and accessories described and shown at any time. Such modifications are communicated to Renault dealers as quickly as possible. Depending on the country of sale, certain versions may differ and certain equipment may be unavailable (as standard, optional or accessory). Please contact your nearest dealer for the latest information. Due to printing limitations, the colours that appear in this document may differ slightly from the actual paint or upholstery colours. All rights reserved. The reproduction in any format and by any means of all or part of this publication without prior written authorisation from Renault is prohibited.

## Elegance has an adventurous side

The Renault Koleos blends the best of both worlds. Robust power meets refined luxury in an SUV that's designed to take on all conditions with effortless ease. Whether you're on your way to a board meeting or driving down to your country club, its distinctive stance, imposing front grille and striking chrome details set it apart from the ordinary. This is complemented by superlative performance, state-of-the-art technology and luxurious comfort that come together to deliver an unmatched drive experience.

## Power meets grace

True power expresses itself in a whisper. The latest generation 2.0 dCi engine generates a commanding 173 PS of power, going from 0-100 in just 9.9 seconds, while still delivering superlative fuel efficiency of 17.15 kmpl along with lower CO<sub>2</sub> emissions. The Koleos also offers high-end acoustic quality that has been designed to eliminate vibrations in the passenger compartment. Discover power in the lap of refinement.

## Designed to dazzle

The Renault Koleos is a showstopper. Silver satin-finished roof rails, dual tone electric ORVMs with LED turn indicators and chrome finish fog lamps complement the car's dynamic stance. The front radiator grille with the unmistakable chrome logo announces Renault's new design philosophy. The electrically-operated split tailgate offers 450 litres of boot space while the two-tone R17 sporty alloy wheels are designed to combat Indian driving conditions. Within the city or in the great outdoors, you won't have a shortage of admirers.

## Alive with technology

Experience technology that's a generation ahead. Rear parking sensors make parking in tight spots easy while dusk and rain sensors make driving in low light and rainy conditions safer. Cruise control with speed limiter, a 6-speed gearbox and 4x4 i-transmission not only make driving effortless but also more enjoyable. The smart access card unlocks the car by simply touching the handle or the boot. The Koleos brings technology to your fingertips.

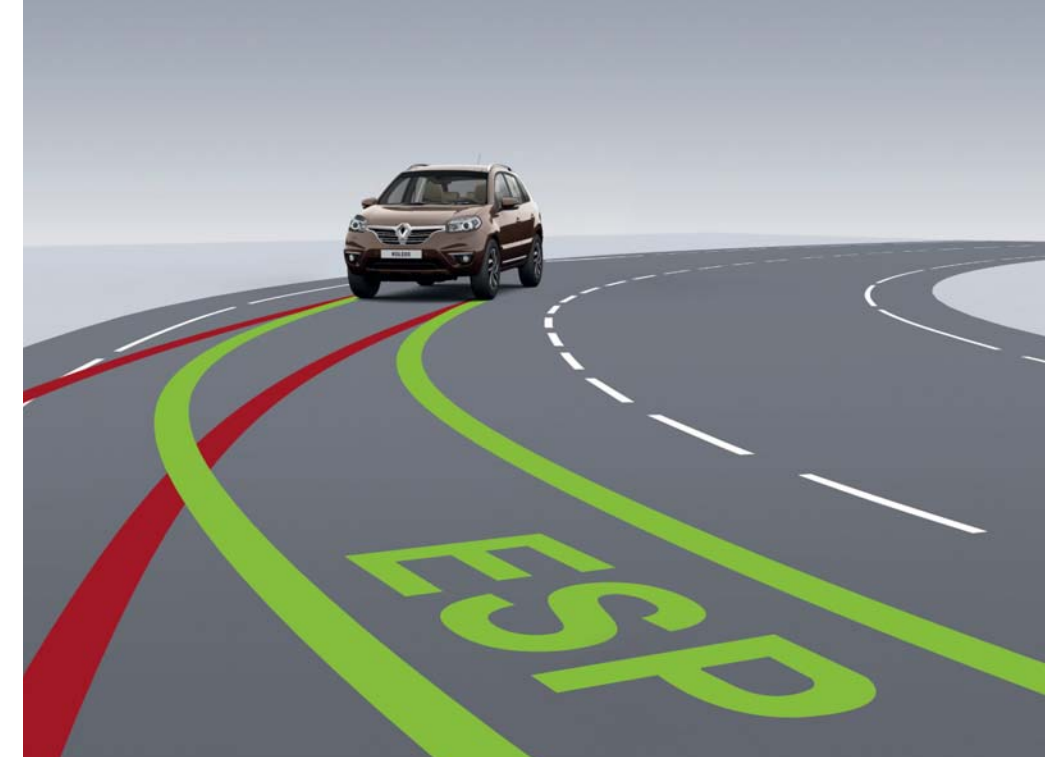

## Luxury you can feel

The Renault Koleos exudes refinement and finesse. The 6-way adjustable seats are designed to cocoon you in luxury and comfort. Rear AC vents keep the rear seat passengers in control of the cooling while dual zone climate control means the driver and front seat passenger can select individual temperature and blower preferences. Rear glass electric defrosting gives the driver a clear view at all times while smart storage features like an underfloor cubby and easy rear access ensure there's always room for your polo sticks.

## Safety that's intuitive

The Renault Koleos is packed with features that provide safety for all – the driver, the passengers and pedestrians. With a 5-Star EURO NCAP crash test rating, the Koleos has a reinforced front and rear impact-resistant body, ready for every contingency. 6 airbags (2 front, 2 side and 2 curtain airbags – front and rear) come equipped to take on any kind of impact. Electronic stability programme, hill start assistance and hill descent control keep the driver in control in wet, slippery conditions and rocky terrain. Luxury never felt this safe.

## Entertainment comes standard

Welcome to your very own entertainment station. The Renault Koleos comes loaded with an 8-speaker **BOSE** Entertainment System with Nd<sup>®</sup> Richbass<sup>®</sup> Woofer, housed in a 6.9-litre, custom-engineered enclosure mounted in the rear cargo area. Three 12V charging points and Bluetooth<sup>®</sup>, AUX - In / iPod, MP3 & Radio ensure the entertainment never stops. Steering-mounted controls manage the Bluetooth<sup>®</sup> and digital music system at the touch of a button. Your drive just got even more enjoyable.

## Engineered to outperform

Equipped with the latest generation 2.0 litre dCi diesel engine, the Renault Koleos comes in two transmission modes – Automatic and Manual. Agile and responsive, with a maximum torque of 320 Nm (2WD) and 360 Nm (4WD), the Koleos offers an unmatched drive experience.

We believe peace of mind goes a long way in improving driving pleasure. That's why all our cars are backed by a firm promise and commitment to provide you with support, convenience and expertise, if you ever need it. Welcome to Renault's world-class quality and unmatched customer satisfaction. Welcome to Renault Complete Care.
